This book is the academic studies of Strategic Researches Academy (SRA). It is printed with the academic and financial support from SRA. The papers are first reviewed by the independent reviewers, and then proof-read and edited by the editor(s). The opinions and views expressed in papers are not necessarily those of this book editor(s) and SRA. All parts of this publication are protected by copyright. Any utilization outside the strict limits of the copyright law, without the permission of the publisher, is forbidden and liable to prosecution. This applies in particular to reproductions, translations microfilming, and storage and processing in electronic retrieval systems. This publication has been peer reviewed.
